Lecture 3: Boeing 737 Max

17-313: Foundations of Software Engineering
Fall 2023

S3D
Software and Societal
Systems Department

Administrivia

- Homework 1 due Wed Aug 30, 11:59 pm (three days!)
- Teams will be announced soon

Discussion

Group Discussion: Facts of the case

- Collaborate to create a list of as many facts about the Boeing case as you can come up with.

Group Discussion: Relationship between facts / takeways

- Collaborate to identify as many relationships between facts as you can.
- If you run a software project, what can you learn from this case study.
